

(Robot name/ model) 3D model Sharing

By signing this letter, Partner identified below grants NVIDIA Corporation (“NVIDIA”) and its designees a non-exclusive, worldwide, perpetual, royalty-free license to use, copy, and annotate the 3D model of the Boston Dynamics Spot® robot (“Spot”) which NVIDIA and its designees can retrieve in the URDF file available at <https://drive.google.com/drive/folders/OAE9pMzAHodgZUk9PVA> (collectively, “Materials”) for development, distribution, and commercialization of Spot included, integrated, or packaged in its Isaac Sim product and Omniverse product.

NVIDIA may use the Partner’s names, logos, or trademarks, as needed to reproduce branding on such 3D models, subject to Partner’s prior written approval.

By signing this letter, each party represents and warrants that it is an authorized representative of the party, and Partner represents and warrants that it has the necessary rights, including any intellectual property rights, and rights under any applicable privacy law to share and permit use of the Materials as set forth above.
