

## Kawasaki Heavy Industries robot 3D model Sharing

By signing this letter, Partner identified below grants NVIDIA Corporation (“NVIDIA”) and its designees a non-exclusive, worldwide, perpetual, royalty-free license to use, copy, annotate, and create derivative works of the 3D model of duAro, rs007l, rs007n, rs0013n, rs025n, rs80n and related materials (collectively, “Materials”) for development and commercialization of its products or services, and to distribute Materials or derivative works subject to the terms of an NVIDIA license agreement.

NVIDIA may use the Partner’s names, logos, or trademarks, as reasonably needed to reproduce branding on such 3D models. NVIDIA will give attribution to the source of the Materials in a manner to be determined by NVIDIA.

By signing this letter, Partner represents and warrants that it is an authorized representative of the party, and that it has the necessary rights, including any intellectual property rights, and rights under any applicable privacy law to share and permit use of the Materials as set forth above.

AGREED AND ACCEPTED BY:
